RE: Renato Campinho

To Whom It May Concern:

This is an open invitation to Renato Campinho of Brazil, South America, to speak at our church, in Tumacacori, Arizona and Sedona, Arizona on behalf of his efforts to raise awareness on the issues of global-warming. Mr. Campinho's personal five year campaign to tour the world on his bicycle and spread the word to reduce carbon emissions through the use of various alternatives means of transportation is an important global message. We are happy to host Renato Campinhoh in speaking to our congregation and we look forward to hearing more about his on-going humanitarian efforts.

If you have any questions please do not hesitate to call me personally at (928) 300-1311 (cell) or I can also be reached in our main office.

Sincerely,

Centria (Catherine) Lilly
Liaison Minister
